Chapter 1	GB, TZ, IZ, PM	SD, JS		--Add chapter leader mailing list info (SD) --Should be "running a strong" instead of "running an strong" (JS)
2.1	GB, TZ, IZ, PM, JS, SD			
2.2	GB, TZ, IZ	SD, PM, JS		--Should be "meeting or events each year" instead of "meeting or event each year". (JS) --Should be "minimum number of chapter meetings which you need to hold" instead of "minimum number of chapter meetings that you need to hold". (JS) --In my Opinion one meeting per quarter is achievable (PM) --I prefer 1, but not a breaking point for me (SD)
2.3	GB, TZ, IZ, PM, JS	SD		--I would not make the calendar entry mandatory (SD)
2.4	GB, TZ, SD, IZ, PM	JS		--Instead of reprinting the principles and code of ethics, I'd just include a link to them. That way if they change, we don't have to update this document as well (JS)
2.5	GB, TZ, SD, IZ, PM, JS			
2.6	GB, TZ, IZ, PM, JS	SD		--maybe slightly reword the title, but can't think of a correct phrase that best represents the paragraph content (SD)
2.7	GB, TZ, IZ, PM, JS	SD		--should be made more specific what is mandatory + what is handled in the section below. (SD)
2.8	GB, TZ, SD, IZ, PM, JS			
Chapter 3	GB, TZ, SD, IZ, PM	JS		--"3.2 Capitalize ""OWASP"" in ""an owasp email account"". (JS) --3.5 Need to add the Education Committee link." (JS)
Chapter 4	GB, TZ, SD, IZ, PM	JS		--"4.1 Capitalize ""OWASP"" in ""all owasp related matters"". (JS) -- 4.4 Remove a ""the"" from ""given the the administrative password"" (JS) -- Should be ""for their chapter mailing list"" (JS) -- Capitalize ""OWASP"" on ""the owasp leader's list"" (JS) -- 4.6 Remove a ""will"" from ""This will will not only"" (JS) --4.7.1 We should probably qualify the white-listed reimbursements as ""Provided that a chapter has the necessary funds in its account"". (JS) -- 4.7.3 Apparently this process for reimbursement has changed. Kate and Alison now have a form that you need to submit reimbursements to." (JS)
Chapter 5	GB, TZ, SD, PM	JS	IZ - I suggest that there should be a word "Paid" in Chapter Elections. Only paid OWASP members can vote to election.	--"5.1 Should be ""whoever"" and not ""whomever"" (JS) 5.3 Should be ""vote alongside"" instead of ""vote along side"" (JS)
Chapter 6	GB, TZ, SD, IZ, PM	JS		--"6.2 Should be ""reins"" not ""reigns"" (JS) -- Remove the ""..."" at the end and just have one period. (JS) -- 6.4 Capitalize ""OWASP"" in ""range of owasp supporters"". (JS)
Chapter 7	GB, TZ, SD, PM	JS	IZ – I don't agree with the prohibition of providing the sponsor with a commercial or	--"7.1 Should be ""nearby"" instead of ""to a bar near by for food"". (JS) --7.2.1 Should be ""cannot"" instead of

			<p>product centric presentation slot because sometimes a company would like to be a sponsor just want to talk in the conference, otherwise, they will not sponsor. But I think that we can prohibit to provide the sponsor with presentation at the prime time.</p>	<p>""speakers can not pay"". (JS) --7.2.2 If referred to as ""OotM"", then this should probably have a lowercase ""o"" on ""OWASP On the Move Rules"". (JS) -- Put a ""\$"" in front of ""amount per speaker is 500 USD"". Same for ""limit of 2,000 USD"" in both locations. Change the ""\$"" in the rules to ""money"". (JS) --7.2.5 Remove the extra space in ""date and time, be sure to consider"" (JS) --7.2.8 We've given meeting sponsors 5 minutes at the beginning of the meeting to do a sales pitch. Might want to add that as something that sponsors can get. What is this 90/10 split thing? Never heard of it. (JS) -- 7.2.16 Remove extra space in ""token of appreciation"" (JS) --7.3.6 This would be a good place to mention the new OWASP SurveyMonkey account. (JS) -- 7.4.4 The Austin chapter just has a sign-in sheet that we keep after each meeting. Attendees are still responsible for submitting their CPEs, but at least we can go back and audit against the sign-in sheet if (ISC)2 audits them." (JS)</p>
Chapter 8	GB, TZ, SD, IZ, PM, JS			
Chapter 9	GB, TZ, SD, IZ, PM	JS		<p>-- "9.4 Change ""along side"" to alongside"". (JS) -- This would be a good place to reference how to get an OWASP business card. (JS) -- 9.6 Need a space before ""per year"" in ""\$2000 (Platinum)per year"". -- 9.7 Should be ""bodies are nationwide"" not ""bodies is nationwide"". (JS)</p>
Chapter 10	GB, TZ, SD, IZ, PM	JS		<p>--"10.2 Should be ""make a big difference"" not ""make a big different"". (JS)</p>
