

# OWASP GIC Event at AppSec EU 2012

There will be a networking event during the cocktail evening gathering on Thursday July 12<sup>th</sup>. Alternative ideas to hold the event at the end of the last presentation, or immediately prior to the cocktail event were dismissed due the distance between the conference venue and the cocktail event venue (Kostis Palamas).

## Date and time

Thursday 12<sup>th</sup> July at 20:00 hrs.

## Venue

Kostis Palamas, 48 Academias str

Nearest metro: Panepistimio

## Invitation email

Dear Industry Leaders,

OWASP is looking forward to your attendance at the OWASP AppSec Research conference [next|this] week.

The OWASP Global Industry Committee is always interested in improving the relevancy of OWASP projects, ease of use of our tools for industry organisations and allowing for a productive exchange of ideas about what works best in your organisations among your Industry Leaders peers at the conference.

To facilitate this exchange further, we have reserved a dedicated Industry room during the Cocktail Event on Thursday evening with a little tag "Industry Leaders" for a select group of members from industry organisations. On behalf of OWASP, I like to invite you to join your peers and discuss what OWASP projects you find most useful for your organisation, any feedback you have and what else you would like to see from OWASP to make your work even more productive and easier.

Best regards and looking forward to meeting you at the conference and interesting discussions at one of the Industry Leaders tables at the AppSec Research Cocktail Event on Thursday 12<sup>th</sup> July from 20:00 hrs (8pm) at Kostis Palamas, 48 Academias str (nearest metro station Panepistimio). Please bring this invitation with you.

Colin Watson

PS: This will be a vendor and consultant free environment, but is immediately adjacent to the main cocktail event open to all conference attendees.
