OWASP Foundation  
[www.owasp.org](http://www.owasp.org)

**RAISING VISIBILITY** FOR SOFTWARE SECURITY **SINCE 2001**

The Open Web Application Security Project (OWASP) is a 501(c)(3) worldwide not-for-profit charitable organization focused on improving the security of software. Our mission is to make software security visible, individuals and organizations worldwide can make informed decisions about true software security risks.

OWASP does not endorse or recommend commercial products or services, allowing our community to remain vendor neutral with the collective wisdom of the best minds in software security worldwide.

- **OPEN** - Everything at OWASP is radically transparent from our finances to our code.
- **INNOVATION** - OWASP encourages and supports innovation and experiments for solutions to software security challenges.
- **GLOBAL** - Anyone around the world is encouraged to participate in the OWASP community.
- **INTEGRITY** - OWASP is an honest and truthful, vendor neutral, global community.
